

Getting It Straight
by **Dr. Kirk Christensen**

Orthodontic Specialist

Happy Mother's Day!

This weeks column is dedicated to moms everywhere, the primary family members who make sure their children are taken care of on all levels.

Moms have a big job, organizing the family, meals, and taking kids to school, sports, music lessons, and of course doctors, dentists, and Orthodontists.

So, Thanks!, to all you moms who take your children to us for beautiful teeth, and Thanks to my mom, too, for everything, including orthodontics, when I was young.

We couldn't have made it without you.

See you next week with more Getting It Straight!

Dr. Christensen's column appears bi-weekly in the Northwest Herald.
